FOR IMMEDIATE RELEASE

U.S.-Based Company Launches Globally Online, September 2025

RecoverIQ.app Launches World's First Multilingual, AI-Powered Recovery Platform with Talking AI, Reward System, and Global Movement in Sync with National Recovery Month

U.S.-Based Company Launches Globally Online, September 2025. The future of recovery arrives today with the launch of RecoverIQ.app, the first multilingual, science based recovery platform designed for individuals, families, and sponsors worldwide. Perfectly timed with National Recovery Month, the platform delivers exclusive courses, tools, and supports without downloads, accessible anywhere, anytime, for less than 0.14 cents per day.

A Recovery Solution for Millions

More than 23 million Americans are in recovery and millions more worldwide. Addiction costs the U.S. economy more than 700 billion dollars annually. Globally, the toll is staggering:

- 3 million deaths annually from alcohol
- 8 million deaths annually from tobacco
- 500,000 deaths annually from drugs
- Nearly 3 million deaths annually from overeating related conditions
- Gambling disorder with one of the highest suicide attempt rates of any mental health condition

RecoverIQ.app answers this crisis with a platform built for accessibility, innovation, and scale.

Exclusive and Ever-Growing Features (As of September 2025)

RecoverIQ.app is an ever-growing, exclusive recovery experience, continuously updated with new content and innovations. As of September 2025, it is the only platform that offers all of the following in one place:

- P.A.T.tm (Personal Activity Tracker), the first talking AI recovery companion that evolves with each user
- In-App Token Reward System, recognition and reinforcement for milestones and

engagement

- PanicIQ Button, instant support in moments of need
- Ring the Bell Milestones, celebrate victories daily
- Coach's Corner, more than 370 reflections and journaling prompts
- JournalIQ, talk to text journaling with exportable and token rewardable options
- FaceIQ, FamilyIQ, SponsorIQ, tools to support families, sponsors, and recovery networks
- CoursesIQ & WorkBooksIQ, exclusive courses and interactive workbooks
- BooksIQ, VidIQ, LiveIQ, exclusive writings, video library, and live events
- MeetIQ, MapsIQ, VibeIQ, ArtIQ, StoreIQ, community and creativity tools connecting recovery worldwide
- Multilingual Reader, breaking language barriers in recovery

With new features and content added continuously, RecoverIQ.app delivers a truly exclusive, comprehensive, and ever-expanding recovery ecosystem that no other company matches.

Partnerships and Growth

RecoverIQ.app is partnering with companies, nonprofits, and organizations to expand its reach. Through fundraising campaigns and white label opportunities, organizations can deliver recovery supports to their communities.

The RecoverIQ team has also launched the "Sponsor-A-Life, Save-A-Life" initiative, a global movement to erase the trauma and stigma of addiction. With millions of deaths every year caused by alcohol, tobacco, drugs, overeating, and gambling related harm, the program gives everyone a chance to make a difference. Sponsorships fuel recovery access worldwide and through RecoverIQ's reward system, sponsors see their impact grow in real time.

Opportunities are open now. Learn more at www.RecoverIQ.app or contact recoverywithpatrick@gmail.com to personally sponsor a friend, family member, or someone still seeking recovery.

Leadership and Content

Lorrie A. Trotter, Co-Founder and Head of Development. Guiding innovation, growth, and global expansion.

"RecoverIQ.app is backed by experience, powered by science, and driven by results. This is recovery made global, affordable, and unstoppable. With innovations like P.A.T.tm and PATRIQtm, we are showing the world that recovery can be smart, supportive, and strategically focused." – Lorrie A. Trotter, Co-Founder and Head of Development
